School Menu

Next week we will be on
week 3 of our school
menu 😊

Dear Parents and Carers,

I have had a busy week, travelling to Birmingham after school on Tuesday to visit an outstanding Reach2 school on Wednesday. It was so interesting to spend time in the school, observing teaching and discussing what has helped them to secure an outstanding judgement. Then on Thursday we had a visit from Mrs Harper, our Deputy Director of Education. The visit went very well and, as always, she was impressed with the quality of teaching, the school environment and the dedication of our staff. Mrs Harper led an assembly which focussed on the Reach2 Touchstone of learning and how this helps us all to achieve our goals. The children shared their career aspirations and I felt so proud to hear their ambitions! We have aspiring authors, artists, footballers and teachers, to name but a few!

I was sad to miss Elder class assembly on Wednesday, but the children have brought me up to speed with what I missed! Well done, everyone – Mrs Greene and Mrs Austin were so proud of you! Next Wednesday we have our year 1 open morning from 9.00-9.30am. It will be great to welcome you all to school.

Following on from the recent reports from parents about the irresponsible and dangerous driving and parking around our school, I have contacted the council again about the 3PR (3 Parking Rules) initiative and I am pleased to inform you that Mrs Jones (headteacher at the juniors) and I will be meeting the project manager to again look at what can be done to make Craigfield Avenue a safer place. The project has been successful at other local schools and we are hoping this can be replicated at Burrsville. I will keep you updated with how we get on.

Just a reminder that the use of mobile phones, cameras or recording equipment is **not permitted** anywhere on our school site. This includes during assemblies and special events. As you may remember, this is for the safety of all our children and has been the case for the last few years. We have some children attending our school with significant safeguarding issues and we have a duty to keep them safe. Thank you for your on-going support with this very serious matter.

Thank you to everyone who has helped us to raise £116.03 so far for the Phab Kids charity today. Your generous donations will help to enrich the lives of young people living with disabilities.

Next week we have the Valentines disco to look forward to!
Have a great weekend and see you on Monday.
Miss Siggery
