week 1 of our school
menu 😊

Dear Parents and Carers,

It's been another exciting week in school with lots going on! I started the week with my Monday morning assembly about Pantosaurus, the NSPCC dinosaur who helps us to teach the children about the Pants Rule. The NSPCC website has such great resources, if you ever need some help with tackling tricky subjects, it is a great place to look.

On Monday, Mrs Jones (headteacher from the juniors) and I met with the project manager from the North Essex Parking Partnership. You may remember last year we looked into the 3PR (3 Parking Rules) initiative to try and improve the safety of our children when using the roads and pavements around our school. I am pleased to inform you that shortly after half term we will be launching the initiative. You will receive a booklet explaining the details nearer the time, but in the meantime, if you would like to help us for twenty minutes in the mornings (not every morning!), we will be looking for some volunteers – parents and children – to help us to promote the initiative. If you are interested in helping out, please do let me know. Many thanks in advance.

Last week Mrs Greene took our school councillors to another local school to take part in a Multi Schools Council meeting. The group was set up in 2012 to help break down perceptions towards SEND and mental health in schools and the wider community. Each term, children from mainstream and special schools meet to learn more about each other and put their plans in place for making a difference. As always, the children were a credit to us and represented the school so well. Thank you to Mrs Greene for providing our children with this opportunity.

Thank you to our year 1 parents who joined us in school on Wednesday for our year 1 open morning. The children love having you with us in school and I know you also enjoy the opportunity to come in and see the children's learning. Next week our EYFS are invited to join us in school for our next Family Fun Time session. Looking forward to seeing you then!

Later this afternoon our PTA will be hosting a Valentines disco. Thank you so much to everyone who has bought a ticket and supported the school. As you know, all money made by the PTA is given straight back to the school and helps to enhance the curriculum opportunities given to our children. The PTA regularly subsidise the cost of trips and experiences and help to pay for school projects that benefit all children. Your support is greatly appreciated. Thank you to the PTA team for organising and running the disco.

Next week we will be marking Safer Internet day on Tuesday and exploring how to stay safe online.

Have a lovely weekend.

Miss Siggery
