End of Term

Thursday 21st July at 1.30pm

Dear Parents and Carers,

What a week our Early years children have had! On Wednesday Maple class performed in our first class assembly since 2019 and they did a super job! It is not easy standing up in front of a hall packed with parents and carers, as well as the rest of the school, particularly when you are only four years old. The children shared their learning with us, sang two songs and spoke in loud voices. It was so lovely to restart class assemblies. Thank you to everyone who came along. Next week it is the turn of Cedar class.

Then yesterday all of our reception children went on their first school trip to Hasty's Adventure Farm. There were a lot of excited people at the start of the school day, and I don't just mean the children! The sun shone for us and the children's behaviour was exemplary. Throughout the day the children took part in a range of activities including petting the animals and watching how flour is made. Thank you to all the staff for organising and leading the trip and for ensuring the children had a wonderful day. They all looked exhausted at the end of the day!

Next week is Walk to School week and Mrs Fuller has been discussing ideas with the school council. They have decided each day, classes will record how children have made their way to school (walking, cycling, scooting, skating, driving, public transport, taxi etc) and each activity will be assigned a specific number of points. More points will be given to the healthier options. The class with the most points will receive a reward! If you can, please take part in the special week and make the most of the nicer weather. It will also help to reduce congestion outside the school, which has again been problematic and dangerous this week.

Don't forget to take the Reach2 survey:

Wishing you all a wonderful weekend.

I can interview a witness

Today we interviewed Neil Armstrong about what it was like to go to the Moon. Here are some of the questions we asked and what he replied:

How did you feel when you returned to Earth?

I felt happy and emotional at the same time because I missed my family so much but I'm with them now

What did it feel like with less gravity?

Crazy it felt like I was a kid again jumping on a bouncy castle but it was also weird and scary because I thought I was going to fall + I didn't know how to land

The Golden Book

Walk To School Week 16th - 20th May

Walk to School Week encourages parents and children to leave the car at home and choose healthier methods of transport, such as walking, cycling or scooting. Throughout the week, teachers will be asking the children how they made it to school and assigning points. Which class will get the most points across the week?

This week's phonics sounds

aw, are, ur

aw – yawn are – share ur - purse
